Thank you so much for all of your prayers and support! Angie and I are back from our most recent trip to Myanmar with exciting news to share. This trip truly was like no other! As many of you know, we have been praying and believing for more opportunities to minister in Buddhist monasteries and other areas for 10 years now. This year, we saw those prayers answered! We were invited into three different monasteries, each with their own orphanage, and were able to share the Story of Jesus, pray with them and distribute Bibles to them in their own language!

We also saw an answer to prayer as we were able to visit with a local school of 650 students and faculty! Historically, they do not allow foreigners to enter. However we were able to give every student a notebook and pencil, present the gospel and pray with the student body! They were so excited! We also received an open invitation to return.

One of our favorite things to do is visit with all of the children we see in the orphanages. Many of these children have no one to visit them. Because of the support of our friends and partners, we were not only able to visit and preach the gospel to these children but also to distribute a half ton of rice to the orphanages we visited. We shared gifts such as Bibles and sports equipment to health packs containing: bath towels, combs and a tooth brush. It is amazing to see how grateful these kids are to see us and receive your gifts.

We were also privileged to have our friends the Nimmos with us. Roger, a retired school teacher, and Luann, a dental hygienist. Roger and Luann were able to use their talents and abilities to help minister in every area we visited.

This spring/summer marks another answer to prayer as we are pleased to announce the opening of our second vocational training center in western Myanmar! We currently have ten students enrolled and already have a waiting list for our next session. This year promises to be one of great change and we look forward to sharing more details with you in the future.

We want to thank you all for your prayful and financial support. People's lives are being impacted because of your generosity. The Compassion you show is a blessing to so many as we take this Gospel to those in both word and deed. James 1:28 "what God the Father considers to be pure and genuine religion is this to take care of orphans and widows in their suffering and keep ourselves from being corrupted by the world".
